You may drop your class(es) by clicking **Drop** and selecting the desired class(es). In order to withdraw (drop all classes), you must contact the Records Office.

*Select location D01 (Dothan), D02 (Ft. Rucker), T05 (BSN) for 16-week nursing courses, or TIP (Internship/Practicum) for 16-week internship/practicum classes. Contact your advisor if you are unable to register for your classes online.

Tuition and fees can be paid online via Trojan Web Express; however, you may also pay at the Student Financial Services Office, 118 Malone Hall.

For information regarding tuition and other expenses on the Dothan Campus consult the following link: <http://troy.edu/sfs/>

After 90 days, all unpaid accounts will be turned over to a collection agency. The collection agency will assess a collection fee at the time they receive these accounts. **If your account is placed with a collection agency, YOU will be responsible for collection fees, up to 33.33%, in addition to the outstanding balance.**

Withdrawal Policy

Withdrawal from the University is defined as resigning from all courses for all current semester or term classes.

From beginning of registration through last day to drop/add

Students who wish to withdraw from all classes prior to the last day to drop/add must CANCEL their registration in writing through the designated withdrawal official (DWO). Written cancellation does not require the completion of the withdrawal form or an exit interview. Tuition and refundable fees will be returned.

From last day to drop/add through the last day to withdraw

A student who wishes to withdraw from all courses for a current semester or term may withdraw with no academic penalty with a non-punitive grade of "W" until the last day to withdraw (posted in the

Schedule of Classes and on appropriate web pages). Tuition and fees will be charged during this period.

The last day to withdraw from a semester or term will be assigned based on approximately 65% completion of the length of the course. The last day to withdraw for a semester will be Friday of the 10th week. The 65% date for special formatted terms and sessions will be posted as appropriate for those particular courses.

Students may access the withdrawal form at <http://troy.edu/records/forms.html>. An official withdrawal form must be completed and processed before the student's withdrawal is considered final. **Students may not withdraw after the withdrawal deadline.** Any student who fails to withdraw by the deadline will be assigned a grade. Extenuating circumstances must be properly documented. *Note: Withdrawal deadlines for Financial Aid may be calculated differently.*

Withdrawal Policy**Course Eligibility**

Only courses required for your degree will be eligible for Financial Aid /Veterans' Financial Assistance. If any course is not properly assigned on your evaluation, request an official program evaluation from the Records Office.

Satisfactory Academic Progress

The United States Department of Education requires that all students meet satisfactory academic progress to receive federal financial aid.

You should contact the Office of Financial Aid to determine the financial impact for your specific situation. There is a \$30 per course drop processing fee charged after the Last Day for Free Schedule Adjustment.

Withdrawing

If you withdraw before 60% of the term is completed, federal regulations require the University to return a prorated amount of your Pell Grant and/or Stafford Loan to the appropriate federal account. The Office of Student Financial Services will bill the student for the amount returned. There is a \$50 withdrawal processing fee (regardless of the number of courses) charged after Last Day for Free Schedule Adjustment.

Class attendance is required for all students to establish eligibility for receiving financial aid. Students receiving the grade of "FA" for a course(s) could have their financial aid canceled or reduced. The Office of Student Financial Services will bill the student for the amount canceled or reduced.

Visit our website for more information: <http://troy.edu/financialaid/>

Disability Services

Who we are

The Disability Services Office provides accommodations to students with physical, psychological and learning disabilities in accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973.

Student Responsibility

While Section 504 and the ADA require postsecondary institutions to provide accommodative services to students with disabilities, once the student has been admitted to the University, it is the student's responsibility to self-identify and provide documentation of the disability. The University will not provide accommodations until the student (1) comes by The Disability Services Office and requests services, **and** (2) provides recent documentation of his or her disability by a qualified professional.

Examples of what we can do for you

- Determine reasonable and appropriate accommodations according to the documented disability. Accommodation letters are provided to each instructor; it only includes the appropriate accommodations. We will never disclose your medical diagnosis.
- Assist students in procuring adaptive technology and equipment as required
- Assist with the registration process, paying particular attention to areas of academic strength and weakness, so as to not overload or overwhelm the student.

To get started, visit Malone 120 to pick up an application.
