Message from the Vice Chancellor of the Montgomery Campus

Lance Tatum
Vice Chancellor
Montgomery Campus

"Educate the mind to think, the heart to feel and the body to act," these words represent not only TROY University's motto, but also our mission. Founded in 1887, TROY University is a diverse, public university whose goal is to allow every TROY graduate to enter the world with the education they need to succeed, and the passion to make a difference in their community. We are committed to the highest standards of academic excellence, with faculty drawn from among the best in their industry. For the past 50 years TROY University has built its service to the non-traditional student on convenience and affordability. We don't insist on a one-size fits all model. Students have the choice to customize their education to suit their career objectives, with flexible delivery platforms that fit a busy life and schedule.

Troy University's Montgomery Campus is located in the historic heart of downtown and serves as one of the anchors of the downtown business community. Built around the student's educational needs, the University serves students from throughout the River Region in face-to-face, blended and online delivery platforms. Whether you choose to take a course on the Montgomery Campus, online or at one of our other Alabama campuses; the quality of your degree program is the same.

Troy University Montgomery understands the demands of balancing life with the goal of obtaining your degree, and provides students with services through our Student Development Center, located in Whitley Hall. Students have access to tutoring, testing and proctoring, disability services for those who need additional learning support, as well as a TROY for Troops resource center. For students who are undecided about their degree path, the Student Development Center provides advisers who are skilled in listening and career planning. Most importantly, Troy University Montgomery Campus students have highly qualified faculty and staff members who are dedicated to teaching and lifelong learning.

Please consider this a personal invitation to visit Troy University's Montgomery Campus and speak with one of our enrollment advisers about your educational goals. To schedule a visit, or merely to speak to an admissions specialist, you may call 1-800-355-8786 or (334)-241-9506. You can also email the Admissions Office at (admissions@troy.edu) for more information about enrolling at TROY. I look forward to meeting you on the Montgomery Campus where your education is our priority.

Lance Tatum, Ph.D.
Vice Chancellor

TROY TROJAN'S SUCCESS WARRIORS

Dr. Tanjula Petty, Ed.D.
Dean of Instruction, Trenholm State Technical College
Montgomery, Alabama

Before completing her Doctoral Degree in Educational Leadership, Policy, and Law, Ms. Tanjula Moncrief, as she was known at the time, completed both a Bachelor's of Science in Human Resource Management (2001) and a Master's of Science in Public Administration (2003) from Troy University Montgomery Campus. Dr. Petty remembers well her thirst for education and appreciates the mentorship she received from the University's faculty mentioning by name Mr. Demerath, Mr. Hampton, Dr. Simpson and Dr. Russell. Dr. Petty said her Master's of Public Administration provided her the career options she sought with early aspirations to be a City Mayor someday. As time passed, she found her true passion in education, and valued the ability to impact the lives of others through such pursuits. Dr. Petty has used her education to create Petty & Associates Consulting Firm, LLC and to serve as an adjunct instructor on the Montgomery Campus. Dr. Tanjula Petty loves sharing her "Trojan Warrior Spirit" and no doubt her spirit energizes those she comes in contact with to aspire to great heights as well!

Ms. Megan Sumners
Human Resources Generalist, Mando America Corporation
Opelika, Alabama

Ms. Sumners is clear when she says, "I would not be where I am today without Troy!" Ms. Sumners graduated from Troy University Montgomery Campus with her Master's of Science in Human Resource Management (MSHRM) in 2010. She stated she was very thankful for the opportunity to complete her graduate degree and to earn graduate level credit while completing her internship with Brasfield & Gorrie during her last semester with Troy University. She credits Troy's MSHRM program with providing her the well-rounded education she was seeking to become a confident and competent human resource manager. Her current role requires her to be knowledgeable of all HR disciplines and her time pursuing her graduate degree with Troy prepared her well for the duties and responsibilities associated with her current position. Ms. Megan Sumners, using her "Trojan Warrior Spirit" to make a difference in the lives of the Mando America Corporation employees she serves!

Ms. Dawn Evers Cherry
Chief Marketing Officer, Guardian Credit Union
Montgomery, Alabama

Being able to compete in today's challenging employment environment is what Ms. Dawn Cherry credits her time with Troy University Montgomery Campus. While at the University, Ms. Cherry completed both her undergraduate and graduate degrees with her graduate degree being a Master's of Business Administration. She recalls some of the many "golden nuggets" passed onto her during her experience with Troy University, especially noting the importance of being a strategic thinker and managing her time. One of the things she believes sets one apart in today's workforce is the ability to critically think. She knows her time with TROY helped her to develop such skills. These skills allowed Ms. Cherry to advance her career in financial services and eventually move into a management role. She is very thankful for her time at Troy University and how her time at the University, without a doubt, allowed her to be where she is today! Ms. Dawn Cherry, attacking the financial needs of the Montgomery community as a true "Trojan Warrior"!

Ms. Presdelane Harris
Organizing Director, Arise Citizens' Policy Project
Montgomery, Alabama

Ms. Presdelane Harris, or Pres, as she likes to be referred as, obtained her Master's of Science in Management (MSM) from Troy University Montgomery Campus (2005). Ms. Harris, in her current position, leads a team of six other organizers. She compliments her MSM degree as providing her the skills necessary to manage the team with confidence and success. She goes on to relate how the MSM program helped her to understand organizational development, and the knowledge gained, she believes, has made her a greater asset to her current organization and other organizations she has served. Ms. Harris said that it was during her time at TROY she developed her passion for working for non-profit organizations. One of the other benefits she mentioned of her MSM program was the ability, as she puts it, "to put the theories and practices to use even while in the program." It is important to Ms. Harris to be viewed as an inspirational leader, one who helps others to succeed. She wears the armor of the "Trojan Warrior" well, and as such, is focused on helping the less fortunate through her efforts with the non-profit she serves. Pres' "spirit" will help those she serves to rise and hopefully inspire them to become warriors as well!

IMPORTANT POLICIES FOR ACADEMIC YEAR 2015/2016

Scheduling Format

Effective Fall 2014, the Montgomery Campus scheduling format changed from 16-week semesters to two 9-week terms (T1 & T2 for Fall; T3 & T4 for Spring; and T5 for Summer). ALL courses are on the 9-week format except School of Nursing courses and a few College of Education Practicum courses (See Schedule for exceptions).

Student Admission Requirements

Students' admission documents must be on file and admission requirements satisfied prior to registration. For New Admission Standards, see page 9.

Campus Communications - E-mail - Official Means of Communicating Information to Students

The University has installed a single E-mail system as the University's official link with students. Students should access the site by logging onto (mail.troy.edu) and follow the instructions provided. Students who forward their campus E-mail to other accounts do so at their own risk. The University is only responsible for ensuring the E-mail gets to the student account maintained by the University. **Now, the second point is essential**.

The University uses the campus E-mail system as its official means of notification concerning a variety of administrative issues -- faculty-student communications, billing notices, registration changes, financial aid missing information letters and the like. All billing will only be available via Troy E-mail.

The E-mail notification system will allow the University to provide all students more timely information on important issues.

The University is also providing additional resources for phone services in the Financial Aid Office. This service provides increased access for students to receive answers to financial aid related questions by phone. The phone number for financial aid questions is 1-800-414-5756.

You also now have the ability to sign on to Trojan Web Express enabling you to view your student account balance. Further, if tuition and related fees are due, you have the ability to pay online through credit card.

Tuition/Fees/Other Charges

Troy University encourages full payment of all tuition and related fees prior to the first day of the term/semester. Failure to pay the balance in full by the payment due date printed in the schedule will result in a late payment fee of $50.00 as well as a restriction on future class registration and non-release of transcripts. See Academic Calendar on pages 2-4 and/or page 11 for Late Payment Fee Dates.

When a student registers by any means (internet, walk-in, etc.), he/she will be required to pay all tuition and fees.

THERE WILL BE NO LATE REGISTRATION ALLOWED AFTER AUGUST 17, 2015, FOR TERM 1 (T1) AND S SESSION; OCTOBER 19, 2015, FOR TERM 2 (T2).

Financial aid or third party payments that have been processed, loan guaranteed or pell awarded will count toward the student's tuition. Students who are waiting for financial aid or third party payments to be awarded (in process, but not approved) will be required to pay tuition and fees by the payment due date or a late payment fee will apply. **The key point is to get financial aid and third party aid processed early**. Students who have not yet met minimum admission standards will not have Financial Aid awarded; therefore, they should be prepared to pay all tuition and fees at the time of registration.

It is the student's responsibility to manage their financial account online through Trojan Web Express. Payment reminders will be sent out to the student's email account and delinquent notices will be sent to the mailing address on file. It is the student's responsibility to insure that information in the system is accurate. Payment due dates are published in this schedule as well as posted on the Troy University website.

REFUND PROCEDURES FOR STUDENTS

Each registered TROY student will receive a Trojan OneCard. The Trojan OneCard will be mailed to the student, using the address on file with the University. To receive any refunds from the University, a student must activate his or her Trojan OneCard. During card activation, the student will choose how to receive his or her refund money. Options available include having the student's refund:

1. **Directly deposited to the student's Trojan OneCard Account**
    (1 day or less)

    The OneAccount from Higher One is a fully functioning FDIC insured free checking account that allows students to access their refunds quick and easy. The OneAccount has no minimum balance, no monthly fees and free Internet banking features. With the OneAccount, students can use their Trojan OneCard to make purchases anywhere Debit MasterCard is accepted. Students will receive an E-mail when their refund has been directly deposited to their OneAccount. Students may view detail activity of their OneAccount by accessing their OneAccount Statement online at (www.TrojanOneCard.com).

2. **Deposited to another bank account of the student's choice**
    (2-3 business days)

    If students choose to have their refund deposited to another bank account of their choice, the transfer may take 2-3 business days from the day the University releases the funds. In order to have a refund deposited to their bank, students must first activate their Trojan OneCard at (www.TrojanOneCard.com). For this option, students will need to complete, print and mail the third party form to the designated address. The third party form is available online at (www.TrojanOneCard.com).

Regardless of how students choose to receive their funds, they still need to activate their Trojan OneCard. Students are required to activate their Trojan OneCard and make a refund selection online at (www.TrojanOneCard.com).

STANDARDIZED LAB/COURSE FEES

All Troy University Alabama campuses now charge the same (standardized) laboratory/course fees for classes. The following is a list and explanation of the different types of laboratory/course fees that are now charged. The fees for each class are reflected under the heading Fee ($) in our schedule of classes beginning on page 26.

Base Fee (Sorrell College of Business): Fee is used to provide enhancements for course delivery and to make improvements for a better learning environment (classroom and lab computer/projection capabilities, specialized course hand out materials, guest lecturers and technology upgrades to various programs/courses within the College of Business). This fee is $30 for each business class.

Contract Fee (Sorrell College of Business): Fee is paid to Education Testing Service (ETS), the Society of Human Resource Management and to Pearson Education Software for the Major Field Tests and for software packages administered in the various business courses. This fee is $30.

Course Enhancement Fee: Fee is used to provide enhancements for course delivery and to make improvements for a better learning environment (classroom and lab computer/projection capabilities, specialized course hand out materials or specialized assessment/evaluation materials, guest lecturers, individualized instruction and technology upgrades to various programs/courses in a particular college). This fee applies to most College of Education classes and some College of Arts and Sciences classes. This fee ranges from $5 - $50 depending on the class.

Course Testing Fee: Fee is used to purchase, on behalf of the student, specialized tests and/or testing materials associated with a particular course. This fee applies to only a few business classes and ranges from $30 - $80 depending on the class.

Lab Fee: Fee is used to upgrade and maintain lab equipment in specific courses and/or labs within the college department for supporting particular degree programs. This fee applies to various arts and sciences classes to include biology labs, chemistry labs, computer science classes and science labs. It also applies to some business classes to include information system classes and some communication and fine arts classes. This fee ranges from $15 - $180 depending on the class.

Delayed Disbursing of Financial Aid, Refunds and Book Purchases

During the first few days of the academic term/semester, the University allows students to make free course schedule adjustments which results in course load changes, lab requirement changes and so forth. In essence, the student's schedule is in a state of flux which also impacts key administrative functions such as financial aid, scholarships, grants and loans. To accommodate these student-driven changes, the University will wait until the end of the free course schedule adjustment period to begin assessing charges for tuition and fees. Because of this free period for course adjustments, it will be the second week before the University credits financial aid to student accounts. Any remaining funds (credit balances) due to you will be provided after financial aid disburses. Students anticipating credit balances from financial aid for living expenses will need to plan for this delayed disbursement.

New borrowers must complete a Master Promissory Note (MPN) with our guarantor (KHEAA) before lenders will release funds to the University.

For students who rely on financial aid and/or have sponsor authorization for textbook purchases, book charging will be available in the bookstore on July 20, 2015, for Term 1 (T1); September 21, 2015 for Term 2 (T2). See pages 38-39 for online textbook information.

Students who have not met minimum admission status will not have financial aid awarded and should be prepared to self-pay for textbooks.

Those students with their financial aid already processed will be able to register with assurance that all administrative processes are in good order. Remember, **if you pre-register and apply for financial aid, you will be responsible for all charges unless you properly cancel your registration, regardless of whether or not your financial aid is approved or not approved.** Begin now to get your 2015/2016 FAFSAs submitted to the U.S. Department of Education by going to our financial aid website at (www.troy.edu/financialaid) so your funding will be in place when the tuition and fees are due. Also, be sure to meet all admission requirements as soon as possible to avoid financial aid delays.

The Business Office in turn, bills the student for the amount returned. Payment of miscellaneous fees, books, reduction of financial aid and the return of financial aid already awarded may be involved. Financial Aid students who drop or withdraw are required to notify the Financial Aid Office, Whitley Hall, Room 208, to determine if your aid will be canceled and, if so, the procedures on how to appeal for reinstatement of your aid.

General office hours are 8 a.m. to 5 p.m. Monday through Thursday and 8 a.m. to 12 noon on Friday.

POLICY REGARDING CHILDREN ON CAMPUS - Policy requires that all children on campus be accompanied by an adult at all times. For safety and security reasons, a child not accompanied by an adult while on campus will be treated as a lost child. All personnel, including students, are prohibited from bringing children and leaving them unattended at any location. If an unaccompanied child is observed, the first priority will be to locate the parent or guardian and return the lost child to their custody immediately. The parent or guardian will be advised of this policy for compliance. Adult supervision will be provided from the time the lost child is found until the campus police or other university official(s) locate the parent or guardian. If an emergency arises and a child must be brought to class or work, the child must be accompanied at all times by an adult. The adult must obtain prior written approval from the appropriate university official (faculty, supervisor, etc.). Financial aid recipients are responsible for the balance of tuition and fees not paid by their award. Past due indebtedness will be submitted to a collection agency. Additional collection fees will be added to the indebted amount.
Notice: You may not enroll for future terms/semesters if you are indebted to the University. The current term/semester must be paid-in-full at the time of registration.

No refunds of tuition are made after the Free Course Schedule Adjustment period published in the schedule, unless the drop or withdrawal is documented to show reasons beyond the student's control. Adequacy of documentation is at the discretion of the University. The Business Office requires up to 30 days to process all refunds (See page 8 for Student Refund Procedures).

VA AND VOCATIONAL REHAB - Federal VA and Vocational Rehab students should check with the VA office prior to registering. Alabama State VA students should coordinate with the Student Financial Services office before registering.

Tuition and fees are required when a course is added.

STUDENTS NEEDING TO WITH-DRAW WHO ARE GEOGRAPHICALLY SEPARATED, SHOULD CONTACT THE STU-DENT SERVICES OFFICE AT (334) 241-9532**.

Telling your instructor or telephoning a university official does not constitute an official drop or withdrawal. A "DROP FORM" is used when a student wishes to drop one or more, but not all courses. A course correction may be made through the last day to make free course schedule adjustments without owing full tuition/fees. A "WITHDRAWAL FORM" is used when the student discontinues attending ALL classes.

DROP OR WITHDRAWALS (Free Course Schedule Adjustment - Financial Responsibilities) - The Registration fee ($25 per Term or $50 per Semester) is non-refundable. A $30 per course drop fee, or $50 withdrawal fee will be charged after the last day to make free course schedule adjustments without owing full tuition/fees. All tuition and fees must be paid if a drop or withdrawal is submitted after the above dates.

FINANCIAL AID STUDENTS - Federal regulations require Troy University to return a prorated amount of the financial aid to the Department of Education for students withdrawing after above refund dates and before completing 60% of the term/semester. The student will be responsible for paying the amount returned to the University.

Students requesting retroactive drops or withdrawals must provide appropriate documentation within six months after the end of that term/semester to the Associate Dean of Student Services for approval.

GRADE STATUS AT TIME OF DROP OR WITHDRAWAL - Students who drop or withdraw from a course(s) BEFORE the last day for drop/withdrawal with non-punitive academic grade will not be charged academically for hours attempted; **however, full tuition and fees will be charged**. Students who drop or withdraw from a course(s) AFTER **September 18, for Term 1 (T1); November 20, for Term 2 (T2); and October 26, for S Session/Nursing**, will be charged academically with hours attempted (will receive grade as earned) in the computation of grades for these courses and for the overall grade point average. If there are documented circumstances beyond a student's control, these documents must be presented to the Associate Dean of Student Services for review and approval for an exception to the above policies. Contact the Student Services office for specific information.

Drops and withdrawals may be processed during the following times: Whitley Hall, Room 431, Monday - Thursday, 8 a.m. - 5:30 p.m.; Friday, 8 a.m. - 12 p.m.
