Registration Schedule

Registration:

August 8-9
8:00 a.m. to 4:00 p.m.

Late Registration:

August 10-15
8:00 a.m. to 4:00 p.m..

Regular Registration Procedures

1. Remove all holds which will prevent your registration (Business Office, Housing, Health Center, Library Fines, Parking Tickets, Adviser, etc.)
2. In consultation with your academic adviser, plan your schedule. List all information requested on the schedule request, including the section identification for each course. You must also list alternative courses. **Your schedule request must be signed by your academic adviser.** If you are unsure of the name of your academic adviser, inquire at the Office of the Department Chair of your academic major.
3. Check carefully the information required to complete the top portion of the schedule request.
4. Check and correct (if necessary) the information required to complete the personal data sheet.

5. Once the schedule has been approved and all holds removed, register online at your convenience through Student Planning by using the directions found on page 4. You may also ask the secretary of your major department to direct you to a computer or computer lab available for registration. Once your registration is complete through Student Planning, print your schedule and statement of fees from the Student Finance tab.

SPECIAL NOTE: Students who, for any reason, register for classes but do not attend **MUST NOTIFY THE REGISTRAR'S OFFICE IN WRITING TO WITHDRAW** prior to the first class day of the semester. Any student who fails to do so will be responsible for payment of fees and will be charged with failing grades, as noted in the Dates to Remember.

Special Graduate Student Registration

Graduate students who are currently enrolled are encouraged to register during early registration. Those for whom this is not possible may register during registration on **August 8-11** in the department.

The Campus Bookstore will be open during these hours. Graduate students who register early will be responsible for the payment of tuition and fees by the date specified on the early registration statement.

**ALL FINANCIAL AID INFORMATION
MUST BE COMPLETED IN SUFFICIENT TIME
TO BE PROCESSED PRIOR TO REGISTRATION**

The payment of charges for tuition, fees, room, and board is part of the registration process. Troy University encourages full payment of all tuition and related fees by the last day of the regular registration period for the current semester or term.

Payment of fees may be made on-line using Trojan Web Express or at the office of the Student Financial Services. Troy University accepts Visa, MasterCard, Discover, American Express, money orders, checks, echecks and cash.

Payment of Registration Expenses

Troy University offers a tuition and fees payment plan for the Extended Summer session and the Fall and Spring semesters.

The essential ingredient for a successful registration is early planning.

Students are required to pay half of all semester charges **by the last day of regular registration for the current semester or term** in order for registration to be completed. Students with an account balance after the first payment due date will be assessed a \$25.00 payment plan fee. To meet the one-half requirement, students may apply the following:

- Awarded institutional scholarship
- Awarded financial aid
- Payment by cash, check, echeck, money order, or credit card
- Payment from sponsors:
If students wish to use the payments from the sponsors in the calculation of the one-third payment requirement, the University must receive the following

information prior to 1st payment due date, August 17, 2016:

Email **T01cashier@troy.edu**

- Student Name and ID
- Sponsor Name
- Educational Expenses to be Covered by Sponsor.

The remaining semester balance is due on the final payment date. Failure to pay the entire balance of tuition and fees by the last payment date will result in a late fee of \$50.00. Also, failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possibly having the account assigned to a collection agency, and non-release of transcripts.

- 1st payment August 17
- 2nd payment October 12

A current semester or term debt must be paid-in-full before a student will be allowed to register during registration dates that occur prior to the final payment due date.

Payment Plan

At least one-half of all tuition, fees, and charges are payable by the last day of regular registration or at the time of late registration. The remaining balance will be required on the final payment date. Failure

to pay all charges by the final payment date will result in a late payment fee.

It is the responsibility of the students to pay their account balance by the established payment due dates.

Payment of Account Summary

All financial or other obligations to the University must be cleared prior to the end of each semester or term. An outstanding balance for a prior semester or term must be paid before the student will be allowed to register for subsequent semesters or terms. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations and tran-

scripts. Delinquent student accounts may be reported to a credit bureau and referred to collection agencies or ligated. I agree to pay any and all costs associated with the collection of unpaid fees including any /all cost of collections and collection fees (33.33%), attorney fees, and /or court costs, if such be necessary.

Clearance of Obligations

In addition to registration expenses, miscellaneous expenses may be incurred by

students. These charges are payable when incurred.

Students may drop a course through Student Planning or their departmental registration site through August 22, 2016, without additional charges; however, a fee of thirty dollars (\$30.00) will be assessed for each course dropped after this date, and students remain responsible for payment of all tuition and fees. Students may **NOT** add a course after 4:00 p.m. in person or through Student Planning after August 22, 2016.

CAUTION: Students who receive financial

assistance should check the Catalog and/or satisfactory progress policy at www.troy.edu/financialaid PRIOR TO dropping below the credit hour requirement for full-time status. Dropping below full time status could adversely affect financial aid award and future eligibility.

Any student whose scholarship or financial aid requires full-time status will be billed for the full amount of tuition and fees if he or she fails to maintain full-time status.

Dropping and Adding Courses

Troy University endeavors to offer the finest education possible at an affordable cost. A Troy University degree is accessible because of the number and types of financial assistance available to students.

- Scholarships
- Athletic Grants-in-Aid
- Federal Pell Grants
- Federal Workstudy (FWS)
- Alabama Student Assistance Program
- Student Loans (Stafford and Perkins)
- Federal Supplemental Educational Opportunity Grants (FSEOG)
- Institutional Student Work Program (Workshop)

The **Free Application for Federal Student Aid (FAFSA), FA Counseling, and other forms** are available online at

www.troy.edu/financialaid; although the FAFSA is available on January 1, the other forms are usually not available until February. If you need a paper FAFSA, you may obtain one by calling 800-4-FED-AID or 800-433-3243.

If you have already applied for current year financial aid, the USDE will send a reminder in November/December to all renewal eligible applicants with a valid e-mail address. If e-mail is undeliverable, a paper reminder letter will be sent. Students without a valid e-mail address will receive paper reminders rather than pin mailers.

If the student has not reapplied by **February 1st**, the USDE will send follow up e-mail reminders or paper mail reminders as appropriate.

Students **MUST APPLY AS EARLY AS ALLOWABLE** for financial aid in order to avoid difficulties. **March 1** is the application priority date. Moreover, students **MUST CAREFULLY CHECK** the accuracy of their applications to avoid unnecessary delays and other complications.

Note to Borrowers: If you borrowed at Troy University and drop a course or withdraw from the University, you should go to www.troy.edu/financialaid to complete an exit interview and to notify your lender that you are no longer enrolled or enrolled less than half time. Repayment begins in 6 months. There are deferments of payment for unemployment, hardship, etc. See Financial Aid Adviser.

Students who do not attend any classes will forfeit their financial aid. Students who are reported as not attending a class for which they are registered will receive a non-attendance letter/form requiring an instructor's signature or financial aid could be reversed, forfeiting the aid. The student will also be required to pay all tuition and fees. Withdrawal from the University will also require repayment of unused portions of federal assistance.

Financial Aid

All students who receive Title IV funds (Pell Grant, FSEOG, and Loans) **ARE REQUIRED TO ATTEND THOSE CLASSES FOR WHICH THEY REGISTER**. Attendance will be verified by the class instructors. Students who do not attend any classes will forfeit their financial aid. Students who are reported as not attending a class for which they are registered will receive

- **Twelve (12)** semester hours are the minimum number of hours required for full-time undergraduate enrollment.
- **Eighteen (18)** semester hours are the maximum number of hours allowed for full-time undergraduate enrollment. Exceptions of up to 21 semester hours may be granted in special circumstances by a student's Academic Dean.
- **Eight (8) to Nine (9)** semester hours are the minimum number of hours required for full-time graduate enrollment.
- **Six (6)** semester hours are the minimum number of hours required for Graduate Assistants or Graduate Fellows for full-time graduate enrollment.
- **Dual Enrollment Final Semester Seniors Only**– Seniors lacking 6 semester hours or fewer for graduation may enroll in no more than a combined total of **nine (9)** semester hours of undergraduate and graduate work. Students must meet the eligibility requirements specified in the Graduate Catalog.

NOTE: Recipients of undergraduate scholarships and athletic grants-in-aid must maintain a minimum load of 12 semester hours during the fall and spring semesters. Those **students who drop below the minimum load of 12 semester hours will lose financial aid and be required to remit all tuition and fees.**

Proficiency Profile Exam

As part of TROY's ongoing institutional assessment initiative, the Proficiency Profile assessment is required of a select group of undergraduate students. The assessment is instrumental in demonstrating program effectiveness for accreditation purposes. The results of the Proficiency Profile are beneficial to both the student and TROY.

Students who receive the Leadership, Chancellor, or Millennium scholarship and conditionally admitted students are required to complete the Proficiency Profile during their first semester as a freshman, and a fol-

low-up assessment is required upon acquiring junior classification.

Each student will receive an email explaining expectations and registration for the Proficiency Profile.

For information regarding the Proficiency Profile, you may visit the Educational Testing Services website located at www.ets.org. All inquiries regarding the Proficiency Profile should contact Andy Williamson at 334-808-6597 or by email: tac@troy.edu.

**REGISTRATION IS NOT COMPLETE
UNTIL TUITION AND FEES HAVE BEEN PAID**

New undergraduate students and undeclared majors who wish to declare a major field of study or students who wish to change majors should follow these simple steps:

1. Report to the Department Chair's Office of the major you wish to select.
2. Complete the Classification of Instructional Program form to make your selection official.
3. Request that a faculty adviser in your new major be assigned to you.
4. With your new adviser, carefully plan your semester schedule in accordance with the degree requirements stipulated in the Catalog under which you first enrolled, or agree to change to the current Catalog degree requirements.
5. With your new adviser, carefully complete a Schedule Request.
6. Have your new faculty adviser approve the Schedule Request and remove the Adviser's Hold.
7. Sign the Schedule Request and present it to the terminal operator who will then enter the courses (or alternative courses, as necessary) and print your schedule and statement of fees.
8. Request a revised official Graduation Check Sheet from the Records Office, which will require two to four weeks to prepare.
9. You must be actively working towards a degree or financial aid will be voided.

To Declare a Major or To Change a Major

Students who register for classes but, for any reason, do not attend MUST NOTIFY THE RECORDS OFFICE IN WRITING TO WITHDRAW, PRIOR TO THE FIRST CLASS MEETING. **Any student who fails to do so will be responsible for payment of fees and will be charged with failing grades, as noted in the Dates to Remember.**

Students who withdraw after the last day of registration must complete and process the Official Withdrawal Form to protect their records. (Refer to the current Catalog for refund policy.) This form is available in the Student Development Office, Eldridge Hall 102. Exit Interviews are required for all withdrawals.

A student who wishes to withdraw from all courses for a current term/semester may withdraw with no academic penalty with a non-punitive grade of "W" up until the last day to drop without Academic Penalty Period (posted in the Schedule of Classes and on appropriate web pages).

Students may not withdraw from a term/session/semester online. An official withdrawal form must be completed and processed before the student's withdrawal is considered final. **Students may not withdraw after the withdrawal deadline.** Any student who fails to do so will be held responsible for payment or tuition as well as fees and will be assigned a grade. Extenuating circumstances must be properly documented.

Withdrawal

Withdrawals for Students Receiving Title IV Aid

If a recipient of Title IV Aid withdraws during the term, the university will calculate the amount of aid the student did not earn, and the unearned portion will be returned to the Title IV programs. The student is responsible for any charges which are unpaid as a result of the return of Title IV funds.

Students attending Troy University under G.I. Bills Chapters 31, 34, and 35 MUST report to the Student Financial Aid Office (Adams Administration 116) as soon as they complete registration for courses. Students with documented disabilities, who require

assistance with scheduling, academic accommodations, housing, or accessibility, should contact the Adaptive Needs Office in Eldridge Hall 102 or call (334) 670-3221.

To receive any refunds from the University, a student must activate his or her refund preference with Higher One.

First check the mail for your Refund Selection Kit, arriving in a bright green envelope. This will be sent to the address that you have on file with the University. Once it arrives, simply follow these steps to make your refund preference selection:

1. **Visit TrojanOneCard.com**
2. **Enter your Personal code** (Found in your Refund Selection kit)

3. **Select how you'd like to receive your money.**

Your options for receiving your refunds are:

- **Deposit to Another Account (ACH Transer)**—Money in two to three business days, once released by the University to Higher One.
- **Higher One OneAccount**—Money deposited to the account the same business day funds are released by the University to Higher One.

Higher One FAQS

What kinds of money might I receive from Troy?

The most common type of money Higher One disburses to students are funds left over from financial aid awards, loans, or grants after tuition has been paid. Other types of money may include reimbursement for tuition overpayment or a dropped class.

Why am I getting a Personal Code?

You will use your Personal Code to make your refund selection at TrojanOneCard.com.

How will I get a Personal Code?

You will receive your personal Code in the mail at your primary address on file with TROY. Just look for the bright green envelope and please make sure your address is up-to-date.

How is my money delivered?

Delivery of refund money is a multi-step process. First, TROY draws funds from the respective loan and/or grant provider and applies it to your student account. Once this information is verified, it is sent to Higher One. Once the specific refund information is received, it is processed and disbursed according to your selection.

Can I change my preference for receiving money from TROY?

Yes. Just log into TrojanOneCard.com and select "Refund Preferences" from the "Refund" menu option. Once on the page, simply make your new selection and click "Update Preference" button to complete the process. Be aware that your selection will only impact future money you receive from TROY.

How will I know when my money has been sent?

Higher One will send you an email to the address you entered during setup. You can also view the status online at TrojanOneCard.com.

Will I automatically get sent a Higher One OneAccount debit card?

No. When you make your refund preference selection and choose the OneAccount, a debit MasterCard will be sent to you and linked to your OneAccount.

What is the OneAccount?

The OneAccount is a non-interest bearing, internet-only checking account, serviced by Higher One, Inc. It's exclusively designed for college students with features that support a

mobile lifestyle, equipped with security features like cash deposit limits and cash withdrawal limits, offering money available the same day it's released by your school.

If you choose to open a OneAccount, it is important to note that the Trojan OneCard Debit MasterCard is not a credit card but

rather a Debit MasterCard linked to your OneAccount.

I agree to pay all TROY charges on my account. I understand that the university is advancing value to me in the form of educational services and that my right to register is expressly conditioned upon my agreement to pay institutional costs including, but not limited to, tuition, fees, housing, meal plan, and any additional costs, when those charges become due. It is my responsibility to view my charges on TROJAN WEB EXPRESS. I understand that a past due student account balance will result in a financial hold, which prevents future registrations, access to transcript, as well as other services being offered in accordance with university policy. Delinquent student account balances may be reported to a credit bureau and referred to collection agencies or litigated. I agree to pay any and all costs associated with the collection of unpaid fees, including any/all cost of collections and collections fees (33.33%), attorney fees, and/or court costs, if such be necessary. I agree, in order to service my account or to collect monies I owe, TROY may contact me by telephone at any telephone number associated with my account, including wireless telephone numbers, which could result in charges to me. TROY may also contact me by sending text messages or emails, using any email address I provide to TROY. Methods of contact may include using prerecorded/artificial voice messages and/or use of automatic dialing devices, as applicable.
