**Registration
Schedule**
Registration:

January 4-5
8:00 a.m. to 5:00 p.m.

Late Registration:

January 6-8
8:30 a.m. to 4:30 p.m. in person

**Regular
Registration
Procedures**

1. Remove all holds which will prevent your registration (Business Office, Housing, Health Center, Library Fines, Parking Tickets, Adviser, etc.)
2. In consultation with your academic adviser, plan your schedule. List all information requested on the schedule request, including the section identification for each course. You must also list alternative courses. **Your schedule request must be signed by your academic adviser.** If you are unsure of the name of your academic adviser, inquire at the Office of the Department Chair of your academic major.
3. Check carefully the information required to complete the top portion of the schedule request.
4. Check and correct (if necessary) the information required to complete the personal data sheet.

5. Report to your designated registration area according to the registration schedule. Undeclared majors and conditionally admitted undergraduates register in Eldridge Hall 102; other students register in the departmental offices of their declared majors.
6. Present the completed schedule request to the terminal operator who will enter the courses (or alternative courses, if necessary) and print your schedule and statement of fees, or you may register online through Web Express (not available to first time Troy students).

SPECIAL NOTE: Students who, for any reason, register for classes but do not attend **MUST NOTIFY THE REGISTRAR'S OFFICE IN WRITING TO WITHDRAW** prior to the first class day of the semester. Any student who fails to do so will be responsible for payment of fees and will be charged with failing grades, as noted in the Dates to Remember.

**Special
Graduate Student
Registration**

Graduate students who are currently enrolled are encouraged to register during early registration. Those for whom this is not possible may register during registration on **January 4-7** in the department.

The Campus Bookstore will be open during these hours. Graduate students who register early will be responsible for the payment of tuition and fees by the date specified on the early registration statement.

**ALL FINANCIAL AID INFORMATION
MUST BE COMPLETED IN SUFFICIENT TIME
TO BE PROCESSED PRIOR TO REGISTRATION**

The payment of charges for tuition, fees, room, and board is part of the registration process. Troy University encourages full payment of all tuition and related fees by the last day of the regular registration period for the current semester or term.

Payment of fees may be made on-line using Trojan Web Express or at the office of the Student Financial Services. Troy University accepts Visa, MasterCard, Discover, American Express, money orders, checks, and cash.

Payment of Registration Expenses

Troy University offers a tuition and fees payment plan which helps in budgeting college costs but requires financial planning by students and their families.

The essential ingredient for a successful registration is early planning.

Students are required to pay one-third of all semester charges **by the last day of regular registration for the current semester or term** in order for registration to be completed. Students with an account balance after the first payment due date will be assessed a \$25.00 payment plan fee. To meet the one-third requirement, students may apply the following:

- Awarded institutional scholarship
- Awarded financial aid
- Payment by cash, check, money order, or credit card
- Payment from sponsors:
If students wish to use the payments from the sponsors in the calculation of the one-third payment requirement, the

University must receive the following information prior to 1st payment due date, January 6, 2016:

Email **sponsorbilling@troy.edu**

- Student Name and ID
- Sponsor Name
- Educational Expenses to be Covered by Sponsor.

The remaining semester balance may be paid in two installments. Failure to pay the entire balance of tuition and fees by the third payment date will result in a late fee of \$50.00. Also, failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possibly having the account assigned to a collection agency, and non-release of transcripts.

1st payment January 6

2nd payment February 4

3rd payment March 3

A current semester or term debt must be paid-in-full before a student will be allowed to register during registration dates that occur prior to the third payment due date.

Payment Plan

At least one-third of all tuition, fees, and charges are payable by the last day of regular registration or at the time of late registration. The remaining balance will be required in two payments due approximately one month apart. Failure to pay all charges by the third and final payment date will result in a late payment fee.

Registration is not complete until 1/3 payment of tuition, fees, and charges has been made.

It is the responsibility of the students to pay their account balance by the established payment due dates.

Payment of Account Summary

All financial or other obligations to the University must be cleared prior to the end of each semester or term. An outstanding balance for a prior semester or term must be paid before the student will be allowed to register for subsequent semesters or terms. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations and tran-

scripts. Delinquent student accounts may be reported to a credit bureau and referred to collection agencies or ligated. I agree to pay any and all costs associated with the collection of unpaid fees including any /all cost of collections and collection fees (33.3%), attorney fees, and /or court costs, if such be necessary.

Clearance of Obligations

In addition to registration expenses, miscellaneous expenses may be incurred by

students. These charges are payable when incurred.

Miscellaneous Expenses

7. You may print your schedule by pressing the print icon on the toolbar.

* **Check carefully to verify that you have registered for the appropriate campus location.**

Students may drop a course through Trojan Web Express or their departmental registration site through January 11, 2016, without additional charges; however, a fee of thirty dollars (\$30.00) will be assessed for each course dropped after this date, and students remain responsible for payment of all tuition and fees. Students may **NOT** add a course after 4:30p.m. in person or on Trojan Express after January 11, 2016.

CAUTION: Students who receive financial assistance should check the Catalog and/or

satisfactory progress policy at www.troy.edu/financialaid PRIOR TO dropping below the credit hour requirement for full-time status. Dropping below full time status could adversely affect financial aid award and future eligibility.

Any student whose scholarship or financial aid requires full-time status will be billed for the full amount of tuition and fees if he or she fails to maintain full-time status.

Dropping and Adding Courses

Troy University endeavors to offer the finest education possible at an affordable cost. A Troy University degree is accessible because of the number and types of financial assistance available to students.

- Scholarships
- Athletic Grants-in-Aid
- Federal Pell Grants
- Federal Workstudy (FWS)
- Alabama Student Assistance Program
- Student Loans (Stafford and Perkins)
- Federal Supplemental Educational Opportunity Grants (FSEOG)
- Institutional Student Work Program (Workship)
- Veterans' Financial Assistance

The **Free Application for Federal Student Aid (FAFSA), FA Counseling, and other forms** are available online at

www.troy.edu/financialaid; although the FAFSA is available on January 1, the other forms are usually not available until February. If you need a paper FAFSA, you may obtain one by calling 800-4-FED-AID or 800-433-3243.

If you have already applied for current year financial aid, the USDE will send a reminder in November/December to all renewal eligible applicants with a valid e-mail address. If e-mail is undeliverable, a paper reminder letter will be sent. Students without a valid e-mail address will receive paper reminders rather than pin mailers.

If the student has not reapplied by **February 1st**, the USDE will send follow up e-mail reminders or paper mail reminders as appropriate.

Students **MUST APPLY AS EARLY AS ALLOWABLE** for financial aid in order to avoid difficulties. **March 1** is the application priority date. Moreover, students **MUST CAREFULLY CHECK** the accuracy of their applications to avoid unnecessary delays and other complications.

Note to Borrowers: If you borrowed at Troy University and drop a course or withdraw from the University, you should go to www.troy.edu/financialaid to complete an exit interview and to notify your lender that you are no longer enrolled or enrolled less than half time. Repayment begins in 6 months. There are deferments of payment for unemployment, hardship, etc. See Financial Aid Adviser.

Students who do not attend any classes will forfeit their financial aid. Students who are reported as not attending a class for which they are registered will receive a non-attendance letter/form requiring an instructor's signature or financial aid could be reversed, forfeiting the aid. The student will also be required to pay all tuition and fees. Withdrawal from the University will also require repayment of unused portions of federal assistance.

Financial Aid

All students who receive Title IV funds (Pell Grant, FSEOG, and Loans) **ARE REQUIRED TO ATTEND THOSE CLASSES FOR WHICH THEY REGISTER**. Attendance will be verified by the class instructors. Students who do not attend any classes will forfeit their financial aid. Students who are reported as not attending a class for which they are registered will receive

a non-attendance letter/form requiring an instructor's signature or financial aid could be reversed, forfeiting their aid. They will also be required to pay all tuition and fees. Withdrawal from the University will also require repayment of unused portions of federal assistance.

- **Twelve (12)** semester hours are the minimum number of hours required for full-time undergraduate enrollment.
- **Eighteen (18)** semester hours are the maximum number of hours allowed for full-time undergraduate enrollment. Exceptions of up to 21 semester hours may be granted in special circumstances by a student's Academic Dean.
- **Eight (8) to Nine (9)** semester hours are the minimum number of hours required for full-time graduate enrollment.
- **Six (6)** semester hours are the minimum number of hours required for Graduate Assistants or Graduate Fellows for full-time graduate enrollment.
- **Dual Enrollment Final Semester Seniors Only**– Seniors lacking 6 semester hours or fewer for graduation may enroll in no more than a combined total of **nine (9)** semester hours of undergraduate and graduate work.

NOTE: Recipients of undergraduate scholarships and athletic grants-in-aid must maintain a minimum load of 12 semester hours during the fall and spring semesters. Those **students who drop below the minimum load of 12 semester hours will lose financial aid and be required to remit all tuition and fees.**

Proficiency Profile Exam

As part of TROY's ongoing institutional assessment initiative, the Proficiency Profile assessment is required of a select group of undergraduate students. The assessment is instrumental in demonstrating program effectiveness for accreditation purposes. The results of the Proficiency Profile are beneficial to both the student and TROY.

Students who receive the Leadership, Chancellor, or Millennium scholarship and conditionally admitted students are required to complete the Proficiency Profile during their first semester as a freshman, and a fol-

low-up assessment is required upon acquiring junior classification.

Each student will receive an email explaining expectations and registration for the Proficiency Profile.

For information regarding the Proficiency Profile, you may visit the Educational Testing Services website located at **www.ets.org**. All inquiries regarding the Proficiency Profile should contact Andy Williamson at 334-808-6597 or by email: **tac@troy.edu**.

**REGISTRATION IS NOT COMPLETE
UNTIL TUITION AND FEES HAVE BEEN PAID**

New students and undeclared majors who wish to declare a major field of study or students who wish to change majors should follow these simple steps:

1. Report to the Department Chair's Office of the major you wish to select.
2. Complete the Classification of Instructional Program form to make your selection official.
3. Request that a faculty adviser in your new major be assigned to you.
4. With your new adviser, carefully plan your semester schedule in accordance with the degree requirements stipulated in the Catalog under which you first enrolled, or agree to change to the current Catalog degree requirements.
5. With your new adviser, carefully complete a Schedule Request.
6. Have your new faculty adviser approve the Schedule Request and remove the Adviser's Hold.
7. Sign the Schedule Request and present it to the terminal operator who will then enter the courses (or alternative courses, as necessary) and print your schedule and statement of fees.
8. Request a revised official Graduation Check Sheet from the Records Office, which will require two to four weeks to prepare.
9. You must be actively working towards a degree or financial aid will be voided.

To Declare a Major or To Change a Major

Students who register for classes but, for any reason, do not attend **MUST NOTIFY THE RECORDS OFFICE IN WRITING TO WITHDRAW, PRIOR TO THE FIRST CLASS MEETING. Any student who fails to do so will be responsible for payment of fees and will be charged with failing grades, as noted in the Dates to Remember.**

Students who withdraw after the last day of registration must complete and process the Official Withdrawal Form to protect their records. (Refer to the current Catalog for refund policy.) This form is available in the

Student Development Office, Eldridge Hall 102. Exit Interviews are required for all withdrawals.

Students who withdraw during any term after the last day to withdraw without academic penalty will be awarded the grade of WP (Withdraw Passing) or WF (Withdraw Failing). The WP grade will not affect a student's grade point average; however, the grade of WF will be calculated as an F grade. Students assigned to a residence hall must remove items and return key within 24 hours of withdrawal.

Withdrawal

Withdrawals for Students Receiving Title IV Aid

If a recipient of Title IV Aid withdraws during the term, the university will calculate the amount of aid the student did not earn, and the unearned portion will be returned to the Title IV programs. The student is responsible for any charges which are unpaid as a result of the return of Title IV funds.

Students attending Troy University under G.I. Bills Chapters 31, 34, and 35 **MUST** report to the Student Financial Aid Office (Adams Administration 116) as soon as they complete registration for courses. Students with documented disabilities, who require

assistance with scheduling, academic accommodations, housing, or accessibility, should contact the Adaptive Needs Office in Eldridge Hall 102 or call (334) 670-3221.

Student Refunds

Each registered TROY student will receive a Trojan OneCard. The Trojan OneCard will be mailed to the student, using the address on file with the University. To receive any refunds from the University, a student must activate his or her Trojan OneCard. During card activation, the student will choose how to receive his or her refund money. Options available include having the student's refund:

1. Directly deposited to the student's Trojan OneCard Account (1 day or less)

The OneAccount from Higher One is a fully functioning FDIC insured Free Checking account that allows students to access their refunds quick and easy. The OneAccount has no minimum balance, no monthly fees, and free Internet banking features. With the OneAccount, students can use their Trojan OneCard to make purchases anywhere Debit MasterCard is accepted. Students will receive an e-mail when their refund has been directly

deposited to their OneAccount. Students may view detail activity of their OneAccount by accessing their OneAccount Statement online at www.TrojanOneCard.com.

2. Deposited to another bank account of the student's choice (2-3 business days)

If students choose to have their refund deposited to another bank account of their choice, the transfer may take 2-3 business days from the day the University releases the funds. In order to have a refund deposited to their bank, students must first activate their **refund preference** at www.TrojanOneCard.com.

Regardless of how students choose to receive their funds, they still need to activate their Trojan OneCard. Students are required to activate their Trojan OneCard and make a refund selection online at www.TrojanOneCard.com.

Trojan OneCard

What is the OneAccount?

The OneAccount from Higher One is a fully functioning FDIC insured FREE CHECKING account that allows you to access your student refunds quicker and easier than ever before. The OneAccount has no minimum balance, no monthly fees, and free internet banking features. With it, you can use your Trojan OneCard to make purchases anywhere Debit MasterCard® is accepted.

What are the advantages of having my refunds deposited directly to my OneAccount?

1. Easy Refund (depositing your refund to your OneAccount) is the quickest way to gain access to your money. In order to have your refund directly deposited, activate your TROY OneAccount as soon as possible.

2. You can use the Trojan OneCard to make purchases at all Debit MasterCard locations, access cash at an ATM, pay bills, send money electronically and so much more.
3. There is no charge to you for receiving your refund directly in your TROY OneAccount. There is no monthly fee or minimum balance for the OneAccount.

How will I know when my refund has been deposited to my OneAccount?

You will receive an e-mail when your refund has been directly deposited to your OneAccount. Additionally, you will be able to see details of your OneAccount by accessing your OneAccount Statement on the website.

Can I have my refund deposited to another bank account?

In order to have a refund deposited to their bank, students must first activate their **refund preference** at www.trojanonecard.com.

Why is the Debit MasterCard® logo on the new Trojan OneCard?

The Trojan OneCard is the card you use to access your funds if you choose to accept the

OneAccount. With the Debit MasterCard logo on it, you can use the card as a debit card wherever Debit MasterCard® is accepted. The card is NOT a credit card. It is a DEBIT card.

What will happen to my refund if I don't activate my Trojan OneCard?

TROY will not be able to disburse your refund to you. Regardless of whether you anticipate that you will receive a refund, it is important to activate your card and choose a refund preference at www.TrojanOneCard.com.

What do I do if I did not receive my Trojan OneCard in the mail?

You may log on to www.TrojanOneCard.com and use the "Where's my Card" self help feature that will provide you with the real time status of your card. Or, you may visit the Card Office located in your TROY Business Office.

What if I have additional questions?

I agree to pay all TROY charges on my account. I understand that the university is advancing value to me in the form of educational services and that my right to register is expressly conditioned upon my agreement to pay institutional costs including, but not limited to, tuition, fees, housing, meal plan, and any additional costs, when those charges become due. It is my responsibility to view my charges on TROJAN WEB EXPRESS. I understand that a past due student account balance will result in a financial hold, which prevents future registrations, access to transcript, as well as other services being offered in accordance with university policy. Delinquent student account balances may be reported to a credit bureau and referred to collection agencies or litigated. I agree to pay any and all costs associated with the collection of unpaid fees, including any/all cost of collections and collections fees (33.3%), attorney fees, and/or court costs, if such be necessary. I agree, in order to service my account or to collect monies I owe, TROY may contact me by telephone at any telephone number associated with my account, including wireless telephone numbers, which could result in charges to me. TROY may also contact me by sending text messages or emails, using any email address I provide to TROY. Methods of contact may include using pre-recorded/artificial voice messages and/or use of automatic dialing devices, as applicable.
