Term 1 2021 | Term 2 2021

Fall Semester 2021

Welcome to the Montgomery Campus

Welcome to Troy University, a diverse and vibrant public university! TROY has outstanding students, faculty and staff who work together in the classrooms and take part in the varied extracurricular activities throughout the year, thus producing exciting and challenging educational experiences for everyone. There are nearly 20,000 students studying throughout the four major TROY campus locations in Alabama and at sites in numerous countries around the globe. TROY is a large university; however, because it is spread out over multiple campus locations, it has that "small college feel" where faculty and staff know students by their names and not by numbers.

The Montgomery Campus, located in the heart of downtown Montgomery, Alabama, is unique in many ways. Our outstanding faculty and staff are dedicated to serving primarily the "nontraditional" adult learner. The average age of our students is 29 and the Montgomery Campus is one of the most diverse university campuses in the Southeast. The majority of our classes are taught in the evening, online and in blended formats. Most of our students are employed, have families, and numerous other commitments. Even though most of our courses are taught in classrooms on campus, it is often more convenient for some of our "working adults" to take courses online. This alternative option for completing courses with faculty assistance allows students to work at their own disciplined pace toward completing their degree programs.

The keys to our success in serving nontraditional students are the hard work and dedication of the TROY faculty and staff. They genuinely care about each student. Many of our faculty and staff completed their degree programs while "juggling" jobs and family responsibilities; therefore, they understand very well the demands that our students face in trying to achieve their educational goals. I know you will find the faculty and staff professional, friendly and helpful.

In addition to the nontraditional programs and courses offered on the Montgomery Campus, students also have access to all the degree programs and courses offered at other TROY campuses and sites around the world. Courses transfer seamlessly between TROY locations with no credits being lost. You can start most degree programs on one campus and complete them anywhere in the world via TROY's outstanding online program. In reality, TROY is just "One Big Campus"!

I invite you to learn more about us by continuing to explore our website. If you still have questions that were not answered, give us a call. Better yet, stop by for a visit! I very much hope that you will come and be part of the TROY family. While you're on the Montgomery Campus, plan a visit to TROY's Rosa Parks Museum, the Davis Theatre for the Performing Arts and the W.A. Gayle Planetarium that TROY operates for the city of Montgomery.

Vice Chancellor

Past due indebtedness will be submitted to a collection agency. Additional collection fees will be added to the indebted account.

Notice: You may not enroll for future terms/semesters if you are indebted to the University. The current term/semester must be paid-in-full at the time of registration.

Payments

Payment of fees may be made online with Trojan Web Express or at Student Financial Services. Troy University accepts Visa, Master Card, Discover, American Express, money orders, checks, and cash.

Term payment due dates fall around the fourth week of class. Student accounts with a remaining balance after the payment due date are charged a $50 late fee. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possible having the account assigned to a collection agency, and non-release of transcripts and diploma.

Also note, a current semester or term debt must be paid-in-full before a student will be allowed to register during registration dates that occur prior to the payment due date.

Past Due Accounts

All financial or other obligations to the University must be cleared prior to the end of each semester or term. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, transcripts, and/or diploma.

Delinquent student accounts may be reported to a credit bureau and referred to collection agencies or litigated. Students will agree to pay any and all costs associated with collection of unpaid fees including any/all collection agency fees (33.33%), attorney fees, and/or court costs, if such be necessary.

Students with Disabilities

Who we are?

The Disability Services Office provides accommodations to students with physical, psychological and learning disabilities in accordance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973.

Student Responsibility

While Section 504 and the ADA require postsecondary institutions to provide accommodative services to students with disabilities, once the student has been admitted to the University, it is the student's responsibility to self-identify and provide documentation of the disability. The University will not provide accommodations until the student (1) comes by The Disability Services Office and requests services, and (2) provides recent documentation of his or her disability by a qualified professional.

Examples of what we can do for you

- Determine reasonable and appropriate accommodations according to the documented disability. Accommodation letters are provided to each instructor; it only includes the appropriate accommodations. We will never disclose your medical diagnosis.
- Assist students in procuring adaptive technology and equipment as required.
- Assist with the registration process, paying particular attention to areas of academic strength and weakness, so as to not overload or overwhelm the student.

To get started, visit Whitley Hall, Room 523/524A to pick up an application, or call (334) 241-5486/9587 for more information.

I agree to pay all TROY charges on my account. I understand that the university is advancing value to me in the form of educational services and that my right to register is expressly conditioned upon my agreement to pay institutional costs including, but not limited to, tuition, fees, housing, meal plan, and any additional costs, when those charges become due. It is my responsibility to view my charges on TROJAN WEB EXPRESS. I understand that a past due student account balance will result in a financial hold, which prevents future registrations, access to transcripts, as well as other services being offered in accordance with university policy. Delinquent student account balances may be reported to a credit bureau and referred to collection agencies or litigated. I agree to pay any and all costs associated with the collection of unpaid fees, including any/all collection agency fees (33.33%), attorney fees, and/or court costs, if such be necessary. I agree, in order to service my account or to collect monies I may owe, TROY and/or agents may contact me by telephone at any telephone number associated with my account, including wireless telephone numbers, which could result in charges to me. TROY and/or agents may also contact me by sending text messages or emails, using any email address I provide to TROY. Methods of contact may include using prerecorded/artificial voice messages and/or use of automatic dialing devices, as applicable.
