Student Financial Services

Student Accounts

Students are responsible for all tuition and fees regardless of their source of assistance. If financial aid is approved, it is applied to student accounts after late registration ends each term. Any balance not covered by financial aid, tuition assistance, employer benefits, scholarships, VA benefits, or similar, is the student's responsibility.

Students who register for courses and do not officially drop/withdraw from the university are held responsible for all tuition and fees. **Non-attendance is not considered an official drop/withdraw.**

Payments

Payment of fees may be made online with Trojan Web Express or at Student Financial Services. Troy University accepts Visa, Master Card, Discover, American Express, money orders, checks, and cash.

Student Financial Services | 3413 South Seale Road, Room 138 | 334-448-5151/5121

Term payment due dates fall on the fourth Friday of the term. Student accounts with a remaining balance after the payment due date are charged a \$50 late fee. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possibly having the account assigned to a collection agency, and non-release of transcripts and diploma.

Also note, a current semester or term debt must be paid-in-full before a student will be allowed to register during registration dates that occur prior to the payment due date.

Refunds

To receive your refund from Troy, you must activate your refund preference with BankMobile. A BankMobile personal code will be issued to your mailing address or your TROY email account. Once it arrives, simply follow these steps to make your refund preference selection:

1. Visit [Refundselection.com](https://www.bankmobile.com/refundselection)
2. Enter your personal code
3. Select how you want your money delivered

Your options for receiving your refunds are:

Deposit to an existing account

Money is transferred to an existing account the same business day BankMobile receives funds from Troy. Typically, it takes 1-2 business days for the receiving bank to credit the money to your account.

Deposit to a BankMobile Vibe Checking Account

If you open a BankMobile Vibe checking account (upon identity verification), money is deposited the same business day BankMobile receives funds from Troy.

Past Due Accounts

All financial or other obligations to the University must be cleared prior to the end of each semester or term. An outstanding balance for a prior semester or term must be paid before the student will be allowed to register for subsequent semesters or terms. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, transcripts, and/or diploma.

Delinquent student accounts may be reported to a credit bureau and referred to collection agencies or litigated. Students will agree to pay any and all costs associated with collection of unpaid fees including any/all collection agency fees (33.33%), attorney fees, and/or court costs, if such are necessary.

I understand that the university is advancing value to me in the form of educational services and that my right to register is expressly conditioned upon my agreement to pay institutional costs including, but not limited to, tuition, fees, housing, meal plan, and any additional costs, when those charges become due. It is my responsibility to view my charges on TROJAN WEB EXPRESS. I understand that a past due student account balance will result in a financial hold, which prevents future registrations, access to transcripts, as well as other services being offered in accordance with university policy. Delinquent student account balances may be reported to a credit bureau and referred to collection agencies or litigated. I agree to pay any and all costs associated with the collection of unpaid fees, including any/all collection agency fees (33.33%), attorney fees, and/or court costs, if such be necessary. I agree, in order to service my account or to collect monies I may owe, TROY and/or agents may contact me by telephone at any telephone number associated with my account, including wireless telephone numbers, which could result in charges to me. TROY and/or agents may also contact me by sending text messages or emails, using any email address I provide to TROY. Methods of contact may include using prerecorded/artificial voice messages and/or use of automatic dialing devices, as applicable.
