Financial Aid

How to Apply for Financial Aid?

 - Be sure you are applying for the correct year using school code 001047.
 - Just fill in the blanks when prompted.
 - It is recommended that you use the Data Retrieval Tool (DRT) to access your federal tax documents and have the financial information loaded directly from the IRS website. It can aid significantly in the reduction of errors.
 - Your application reaches the federal processor immediately.
- All students must fill out the Free Application for Federal Student Aid (FAFSA) each year for the academic year covering their enrollment periods. Financial aid is NEVER renewed automatically.
- An electronic copy of your Student Aid Report (SAR) is made available to the schools you have listed on your FAFSA. Troy will not process this information unless you are an admitted degree seeking student.
- Once we receive your SAR, we will verify the information and may ask for additional documentation/information depending on whether you were selected for verification by the Student Aid Processing Center. Please check your TROY email account regularly for any requests for additional information and documentation.
- Once your application is processed, you are notified via email that an Award Letter has been issued. To view and accept the Award Letter, go to my.troy.edu, click on Self-Service, then on Financial Aid to access and accept the Award Letter.

Veterans Affairs

You can submit an Application for VA Educational Benefits on the DoVA website at <https://benefits.va.gov/gibill/> except if you are using VA 31 (VRE or VocRehab) or VA 1606. Once your application is processed by VA, you are issued a Certificate of Eligibility (COE) outlining your benefits. A copy of the COE should be provided to us for our records.

After you are enrolled in courses, you must complete and submit our VA Certification Request Form at <https://troy.elluciancloud.com/systu849/en/ellucianux/4562370015b27c8295d8104067781244/7890719085b461488e71172033936281.php>

Please note, this form must be completed every single term after you are enrolled in courses. The form is routed electronically to a VA Certifying Official who will certify your enrollment to VA. Be sure to check all locations where you are taking courses. For instance, if you are taking online courses and local in-class courses, check both locations on the form to ensure that all courses are certified properly to VA.

For VA 30, VA33, and VA 1606, you must also complete a monthly attendance verification either on the GI Bill website at <https://benefits.va.gov/gibill/> or by calling 877-823-2378 to receive your monthly, prorated amount. For the monthly attendance verification for VA 33, please go to https://benefits.va.gov/gibill.inaksonroe/verification_of_enrollment.asp.

For additional information, please call 334-448-5121 or email fostererc@troy.edu

Student Financial Services

Student Accounts

Students are responsible for all tuition and fees regardless of their source of assistance. If financial aid is approved, it is applied to student accounts after late registration ends each term. Any balance not covered by financial aid, tuition assistance, employer benefits, scholarships, VA benefits, or similar, is the student's responsibility.

Students who register for courses and do not officially drop/withdraw from the university are held responsible for all tuition and fees. Non-attendance is not considered an official drop/withdraw.

Payments

Payment of tuition and fees may be made online, via mail, or by calling the cashier at 334-448-5151/334-670-3886. Online payments can be made at my.troy.edu, self-service, and then student finance. Payments can be mailed or made in person at 1510 Whitewater Ave, Room 114, Phenix City, AL 36867

Term payment due dates fall on the fourth Friday of each term. Student accounts with a remaining balance after the payment due date are charged a \$50 late fee. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possibly having the account assigned to a collection agency, and non-release of transcripts and diploma.

A current semester or term debt must be paid-in-full before a student will be allowed to register during registration dates that occur prior to the payment due date.

Refunds

To receive your refund from Troy, you must activate your refund preference with BankMobile. A BankMobile personal code will be issued to your mailing address or your TROY email account. Once it arrives, simply follow these steps to select your refund preference:

1. Visit Refundselection.com
2. Enter your personal code
3. Select how you want your money delivered

Your options for receiving your refunds are:

Deposit to an existing account

Money is transferred to an existing account the same business day BankMobile receives funds from Troy. Typically, it takes 1-2 business days for the receiving bank to credit the money to your account.

Deposit to a BankMobile Vibe Checking Account

If you open a BankMobile Vibe checking account (upon identity verification), money is deposited the same business day BankMobile receives funds from Troy.

Past Due Accounts

All financial or other obligations to the University must be cleared prior to the end of each semester or term. An outstanding balance for a prior semester or term must be paid before the student will be allowed to register for subsequent semesters or terms. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, transcripts, and/or diploma.

Delinquent student accounts may be reported to a credit bureau and referred to collection agencies or litigated. Students will agree to pay any and all costs associated with collection of unpaid fees including any/all collection agency fees (33.33%), attorney fees, and/or court costs, if such are necessary.

I agree to pay all TROY charges on my account. I understand that the university is advancing value to me in the form of educational services and that my right to register is expressly conditioned upon my agreement to pay institutional costs including, but not limited to, tuition, fees, housing, meal plan, and any additional costs, when those charges become due. It is my responsibility to view my charges on TROJAN WEB EXPRESS. I understand that a past due student account balance will result in a financial hold, which prevents future registrations, access to transcripts, as well as other services being offered in accordance with university policy. Delinquent student account balances may be reported to a credit bureau and referred to collection agencies or litigated. I agree to pay any and all costs associated with the collection of unpaid fees, including any/all collection agency fees (33.33%), attorney fees, and/or court costs, if such be necessary. I agree, in order to service my account or to collect monies I may owe, TROY and/or agents may contact me by telephone at any telephone number associated with my account, including wireless telephone numbers, which could result in charges to me. TROY and/or agents may also contact me by sending text messages or emails, using any email address I provide to TROY. Methods of contact may include using prerecorded/artificial voice messages and/or use of automatic dialing devices, as applicable.
