**ALL FINANCIAL AID INFORMATION
MUST BE COMPLETED IN SUFFICIENT TIME
TO BE PROCESSED PRIOR TO REGISTRATION**

The payment of charges for tuition, fees, room, and board is part of the registration process. Troy University encourages full payment of all tuition and related fees by the last day of the regular registration period for the current semester or term.

Payment of fees may be made on-line using Trojan Web Express or at the office of the Student Financial Services. Troy University accepts Visa, MasterCard, Discover, American Express, money orders, checks, and cash.

Payment of Registration Expenses

Troy University offers a tuition and fees payment plan for the Extended Summer session and the Fall and Spring semesters.

The essential ingredient for a successful registration is early planning.

Students are required to pay half of all semester charges **by the last day of regular registration for the current semester or term** in order for registration to be completed. Students with an account balance after the first payment due date will be assessed a \$25.00 payment plan fee. To meet the one-half requirement, students may apply the following:

- Awarded institutional scholarship
- Awarded financial aid
- Payment by cash, check, money order, or credit card
- Payment from sponsors:
- If students wish to use the payments from the sponsors in the calculation of the half payment requirement, the University must receive the following information prior to 1st payment due date, August 15, 2018:

- Email T01cashier@troy.edu
- Student Name and ID
- Sponsor Name
- Educational Expenses to be covered by Sponsor.

The remaining semester balance is due on the final payment date. Failure to pay the entire balance of tuition and fees by the last payment date will result in a late fee of \$50.00. Also, failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possibly having the account assigned to a collection agency, and non-release of transcripts.

1st payment August 15
Final Payment October 10

A current semester or term debt must be paid-in-full before a student will be allowed to register during registration dates that occur prior to the final payment due date.

Payment Plan

At least one-half of all tuition, fees, and charges are payable by the last day of regular registration or at the time of late registration. The remaining balance will be required on the final payment date. Failure to pay all charges by the final payment date will result in a late payment fee.

It is the responsibility of the students to pay their account balance by the established payment due dates.

Payment of Account Summary

All financial or other obligations to the University must be cleared prior to the end of each semester or term. An outstanding balance for a prior semester or term must be paid before the student will be allowed to register for subsequent semesters or terms. Failure to satisfy financial obligations to the University will result in having a restriction placed on future

class registrations and transcripts. Delinquent student accounts may be reported to a credit bureau and referred to collection agencies or ligated. I agree to pay any and all costs associated with the collection of unpaid fees including any /all cost of collections and collection fees (33.33%), attorney fees, and /or court costs, if such be necessary.

Clearance of Obligations

In addition to registration expenses, miscellaneous expenses may be incurred by students.

These charges are payable when incurred.

Each student will receive an email explaining expectations and registration for the Proficiency Profile.

For information regarding the Proficiency Profile, you may visit the Educational Testing Services website located at www.ets.org. All inquiries regarding the Proficiency Profile should contact Andy Williamson at 334-808-6597 or by email: tac@troy.edu.

4. With your new adviser, carefully plan your semester schedule in accordance with the degree requirements stipulated in the Catalog under which you first enrolled, or agree to change to the current Catalog degree requirements.
5. With your new adviser, carefully complete a Schedule Request.
6. Have your new faculty adviser approve the Schedule Request and remove the Adviser's Hold.
7. Sign the Schedule Request and present it to the terminal operator who will then enter the courses (or alternative courses, as necessary) and print your schedule and statement of fees.
8. Request a revised official Graduation Check Sheet from the Records Office, which will require two to four weeks to prepare.

To Declare a Major or To Change a Major

BankMobile FAQs

What kinds of money might I receive from Troy?

The most common type of money BankMobile disburses to students are funds left over from financial aid awards, loans, or grants after tuition has been paid. Other types of money may include reimbursement for tuition overpayment or a dropped class.

Why am I getting a Personal Code?

You will use your Personal Code to make your refund selection at RefundSelection.com.

How will I get a Personal Code?

You will receive your Personal Code in the mail at your primary address on file with TROY. Just look for the bright green envelope and please make sure your address is up-to-date.

How is my money delivered?

Delivery of refund money is a multi-step process. First, TROY draws funds from the respective loan and/or grant provider and applies it to your student account. Once this information is verified, it is sent to BankMobile. Once the specific refund information is received, it is processed and disbursed according to your selection.

Can I change my preference for receiving money from TROY?

Yes. Just log into RefundSelection.com and select “refund preferences” from the “Refund” menu option. Once on the page, simply make your new selection and click “Update Preference” button to complete the process. Be aware that your selection will only impact future money you receive from TROY.

How will I know when my money has been sent?

BankMobile will send you an email to the address you entered during setup. You can also view the status online at RefundSelection.com.

Will I automatically get sent a BankMobile Vibe Account debit card?

No. If you select the BankMobile Vibe Account when you make your refund preference, a Debit MasterCard will be sent to you and linked to your Vibe Account. BankMobile will send a temporary virtual Debit MasterCard to use until your physical card arrives in the mail.

What is the BankMobile Vibe Account?

Designed exclusively with students in mind, BankMobile Vibe is a checking account that offers the power to bank anywhere, anytime. Plus there's no monthly fee for students.

Online Courses Separately Priced

Courses taken through TROY online will be priced based on a separate per-credit-hour rate. The per-credit-hour rate for out-of-state students attending Alabama campuses will be two times the regular TROY online tuition rate for any course taken through TROY online. Students should visit the TROY online website at trojan.troy.edu/etroy/tuition.html to view current TROY online tuition rates.

What if I have additional questions?

I agree to pay all TROY charges on my account. I understand that the university is advancing value to me in the form of educational services and that my right to register is expressly conditioned upon my agreement to pay institutional costs including, but not limited to, tuition, fees, housing, meal plan, and any additional costs, when those charges become due. It is my responsibility to view my charges on TROJAN WEB EXPRESS. I understand that a past due student account balance will result in a financial hold, which prevents future registrations, access to transcript, as well as other services being offered in accordance with university policy. Delinquent student account balances may be reported to a credit bureau and referred to collection agencies or litigated. I agree to pay any and all costs associated with the collection of unpaid fees, including any/all cost of collections and collections fees (33.3%), attorney fees, and/or court costs, if such be necessary. I agree, in order to service my account or to collect monies I owe, TROY may contact me by telephone at any telephone number associated with my account, including wireless telephone numbers, which could result in charges to me. TROY may also contact me by sending text messages or emails, using any email address I provide to TROY. Methods of contact may include using prerecorded/artificial voice messages and/or use of automatic dialing devices, as applicable.
