# Financial Aid

## Available Aid

Troy University endeavors to offer the finest education possible at an affordable cost. A Troy University degree is accessible because of the number and types of financial assistance available to students.

- Scholarships
- Athletic Grants-in-Aid
- Federal Pell Grants
- Federal Workstudy (FWS)
- Alabama Student Assistance Program
- Federal Direct Loans
- Federal Supplemental Educational Opportunity Grants (FSEOG)
- Institutional Student Work Program (Workship)
- Veterans' Financial Assistance

**The Free Application for Federal Student Aid (FAFSA), FA Counseling, and other forms** are available online at [www.troy.edu/financialaid](http://www.troy.edu/financialaid).

Students MUST APPLY AS EARLY AS ALLOWABLE for financial aid in order to avoid difficulties.

Moreover, students MUST CAREFULLY CHECK the accuracy of their applications to avoid unnecessary delays and other complications.

**Note to Borrowers:** If you borrowed at Troy University and drop a course or withdraw from University, you should go to [www.studentloan.gov](http://www.studentloan.gov) to complete exit counseling and to notify your lender that you are no longer enrolled less than half time. Repayment begins in 6 months. There are deferments of payment for unemployment, hardship, etc. See Financial Aid Adviser.

Students who do not attend any classes will forfeit their financial aid. Students who are reported as not attending a class for which they are registered will receive a non-attendance letter/form requiring an instructor's signature or financial aid could be reversed, forfeiting the aid. The student will also be required to pay all tuition and fees. Withdrawal from the University will also require repayment of unused portions of federal assistance.

ALL FINANCIAL AID INFORMATION MUST BE COMPLETED IN SUFFICIENT TIME TO BE PROCESSED PRIOR TO REGISTRATION

## Student Financial Services

### Payment & Registration Expenses

The payment of charges for tuition, fees, room, and board is part of the registration process. Troy University encourages full payment of all tuition and related fees by the first payment due date for the current semester.

Payment of fees may be made online using Trojan Web Express or at the Office of Student Financial Services. Troy University accepts Visa, Master Card, Discover, American Express, money orders, checks, and cash.

### Payment Plan

Troy University offers a tuition and fees payment plan for the Fall, Spring, and Extended Summer Session.

Students are required to pay half of all semester charges **by the first payment due date**. Students with an account balance after the first payment due date will be assessed a \$25.00 payment plan fee. To meet the one-half requirement, students may apply the following:

- Awarded institutional scholarship
- Awarded financial aid
- Payment by cash, check, money order, or credit card
- Payment from sponsors:
- If students wish to use the payments from sponsors in the calculations of half payment requirement, the University must receive the following information prior to 1st payment due date:
  - Email T01cashier@troy.edu
  - Student Name and ID
  - Sponsor Name
  - Educational Expenses to be covered by Sponsor

The remaining semester balance is due on the final payment date. Failure to pay the entire balance of tuition and fees by the last payment date will result in a late fee of \$50.00. Also, failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possibly having the account assigned to a collection agency, and non-release of transcripts.

A current semester or term debt must be paid-in-full before a student will be allowed to register during registration dates that occur prior to the final payment due date.

# Student Financial Services Cont.

## Clearance of Account Summary

All financial or other obligations to the University must be cleared prior to the end of each semester or term. An outstanding balance for a prior semester or term must be paid before the student will be allowed to register for subsequent semesters or terms. Failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations and transcripts. Delinquent student accounts may be reported to a credit bureau and referred to collection agencies or litigated. Students will agree to pay any and all costs associated with the collection of unpaid fees including any/all collection agency fees (33.33%), attorney fees, and/or court costs, if such be necessary.

## Financial Information

### Online Courses Separately Priced

Courses taken through TROY online will be priced based on a separate per-credit-hour rate. The per-credit-hour rate for out-of-state students attending Alabama campuses will be two times the regular TROY online tuition rate for any course taken through TROY online. Students should visit [online.troy.edu](http://online.troy.edu) for TROY online tuition rates.

## Refunds - BankMobile

To receive any refunds from the University, a student must select his or her refund preference with BankMobile. For more information about BankMobile, visit this link: <http://bankmobiledisbursements.com/refund-choices/>.

First, check the mail for your Refund Selection Kit, arriving in a bright green envelope. This will be sent to the address that you have on file with the University. Once it arrives, simply follow these steps to make your refund preference selection:

1. Visit [refundselection.com](http://refundselection.com)
2. Enter your Personal Code (found in your Refund Selection Kit)
3. Select how you'd like to receive your money

Your options for receiving your refunds are:

- DEPOSIT TO AN EXISTING ACCOUNT – Money is transferred to an existing account the same business day BankMobile receives funds from your school. Typically, it takes 1 – 2 business days for the receiving bank to credit the money to your account.
- DEPOSIT TO A BANKMOBILE VIBE ACCOUNT – If you open a BankMobile Vibe checking account (upon identity verification), money is deposited the same business day BankMobile receives funds from your school.

## BankMobile FAQs

**What Kinds of money might I receive from Troy?** The most common type of money BankMobile disburses to students are funds left over from financial aid awards, loans, or grants after tuition has been paid. Other types of money may include reimbursement for tuition overpayment or a dropped class.

**Why am I getting a Personal Code?** You will use your Personal Code to make your refund selection at [refundselection.com](http://refundselection.com)

**How will I get a Personal Code?** You will receive your Personal Code in the mail at your primary address on file with TROY. Just look for the bright green envelope and please make sure your address is up-to-date.

**How is my money delivered?** Delivery of refund money is a multistep process. First, TROY draws funds from the respective loan and/or grant provider and applies it to your student account. Once this information is verified, it is sent to BankMobile. Once the specific refund information is received, it is processed and disbursed according to your selection.

**Can I change my preference for receiving money from TROY?** Yes. Just log into [refundselection.com](http://refundselection.com) and select "refund preferences" from the "Refund" menu option. Once on the page, simply make your new selection and click "Update Preference" button to complete the process. Be aware that you selection will only impact future money you receive from TROY.

**How will I know when my money has been sent?** BankMobile will send you an email to the address you entered during setup. You can also view the status online at [refundselection.com](http://refundselection.com).

**Will I automatically get sent a BankMobile Vibe Account debit card?** No. If you select the BankMobile Vibe Account when you make your refund preference, a Debit MasterCard will be sent to you and linked to your Vibe Account. BankMobile will send a temporary virtual Debit MasterCard to use until your physical card arrives in the mail.

**What is the BankMobile Vibe Account?** Designed exclusively with students in mind, BankMobile Vibe is a checking account that offers the power to bank anywhere, anytime.

**Does the BankMobile Vibe checking account have a monthly service fee?** Yes. The BankMobile Vibe checking account has a \$2.99 monthly service fee for all customers; however, you may avoid this fee by depositing a total of \$300 or more during each statement cycle. For full details, see the Fee Schedule and Terms and Conditions.
